

# RAKEGO LID STAY

## Short Description

Rakego slim and strong lid stay for keeping lids and hatches in an open position. This lid support is perfect for boats, cabins, kitchens - wherever you need to prevent your hatches from closing.

## Description

Rakego lid stay features the same elegant design and material as the [Rakego folding bracket](#).

Salient attributes:

- Left or right-hand installation possible
- For both vertical and horizontal lids
- Distinct push knob to release
- Load capacity 50 Nm
- Material for harsh conditions
